

# I/ITSEC 2024

# XTAL

The World's Largest Modeling, Simulation & Training Event  
2 December - 6 December | Orlando, FL

## VRGINEERS

📍 booth #2007

- Experience the U.S. debut of the brand-new reconfigurable **Generic Classroom Trainers** in various configurations.
- Check out the **Portable Trainers** in both fixed and rotary wing setups.
- Explore the **Somnium VR1** and **XTAL** headsets.

Our technology is also showcased at our partners' booths, so you'll see it across the entire floor.

Technical Partner: multiSIM

## Innovation Showcase

📍 booth #2909

### Theme:

Next-Gen Pilot Training: Mixed Reality Generic Cockpit Simulation

### When:

Tuesday, December 3 | 14:00-14:30
