XTAL

9-11. 4. 2024, ExCeL, London

Vrgineers  **D12**
in cooperation with **RealSimulator**

Be sure to explore the **F-35** and **F-16 VR Stations** from our partner, RealSimulator, and our cutting-edge **Portable Trainers** equipped with **XTAL 3 VR** headsets, revolutionizing professional pilot training for missions.

For detailed information about Vrgineers' 5th generation jet fighter simulators or XTAL 3 CAVU, please schedule a private meeting with our team by emailing registration@vrgineers.com.
